Roshani Interior Desing Comapny

# OUR STORY

Established in **2013**, Roshni Interiors is a Nashik based interior design consultancy that focuses on projects that reflect the personality and aspirations of our clients. From private residential clients, show homes for developers and corporate projects, we ensure that every property has its own individual style. We have been doing this successfully since **10+** years to balance the customer's environment.

**SUREKHA JADHAV**

Founder Of Roshani Interior  
Since 2013.

# VISION

To become the first choice interior designer of our clients. At Roshani Interior, our vision is to redefine interior design by seamlessly blending innovation, aesthetics, and practicality. We envision spaces that not only captivate the eye but also enhance the way people live, work, and interact.
