# About Us

Established in 2000, we are a trusted name in the trading of all types of plastic raw materials. With over two decades of experience, we have earned a reputation for consistent quality, reliable supply, and customer-focused service.

Our team works closely with clients across industries to deliver the right materials at the right time - all at competitive prices. The business is led by our managing partners, Mr. Viraj Kailash Shah and Mr. Vaibhav Shashikant Shah, whose commitment to excellence continues to drive our growth and success.

## Vision

To be a leading and trusted supplier of plastic raw materials, known for quality, reliability, and customer-first service across industries.

## Mission

To be a reliable partner in polymer sourcing and delivering high quality polymer products through ethical sourcing, efficient logistics and exceptional customer service. We aim to build lasting relationships with suppliers and clients.
