Business Partners

Mr. Anil Ankush Kale

He is the visionary **Founder and Managing Director of Ashish Construction**. A graduate in Civil Engineering, Mr. Anil A. Kale brings over 24 years of rich experience in the infrastructure and construction industry. Under his dynamic leadership, Ashish Construction has grown from a modest beginning to a reputed name in the field of civil engineering, particularly in [key sectors: e.g., roads, highways, bridges, water supply projects, industrial infrastructure]. His commitment to quality, timely execution, and sustainable practices has been instrumental in building lasting relationships with clients and government bodies alike. Mr. Anil A. Kale continues to guide the company with a focus on innovation, ethics, and long-term impact.

Mrs. Madhuri Anil Kale

Mrs. Madhuri Anil Kale plays a key leadership role as the **Director of Ashish Construction**. With a strong foundation in administration and business management, she has been pivotal in overseeing the company's internal operations and strategic growth initiatives. Her sharp organizational skills, commitment to operational efficiency, and people-centric approach have helped strengthen the company's core systems and team dynamics. She is actively involved in fostering a culture of excellence, ethics, and inclusive growth, ensuring that Ashish Construction upholds its values while adapting to industry advancements.

Building Today, Shaping Tomorrow!

About Us ?

With over four decades of experience, **Ashish Construction** has established itself as a leader in the civil engineering and infrastructure development space in the **government and private sectors**. What began as a modest venture has evolved into a trusted name recognized for its commitment to quality, innovation, and integrity. Our journey is marked by a relentless pursuit of excellence and a customer-first approach that drives every project we undertake.

Our strength lies in our ability to deliver complex projects with precision and consistency. Whether it's large-scale infrastructure or bespoke construction solutions, we combine technical know-how with cutting-edge tools and a highly skilled workforce. Our deep understanding of the industry allows us to create spaces that are not only functional but also forward-looking and sustainable.

At Ashish Construction, we believe in continuous improvement, investing in advanced technologies, and fostering a culture of collaboration and professionalism. These values empower us to meet diverse client needs while exceeding expectations on quality, safety, and delivery.

Vision

To be a pioneering force in the construction and infrastructure industry by creating lasting, high-quality spaces that uplift communities, support modern living, and inspire future growth through sustainable and forward-thinking practices.

Mission

Our mission is to design and deliver infrastructure solutions that set new benchmarks in quality, safety, and efficiency. We are committed to staying ahead of the curve through innovation, timely execution, and responsible development—while upholding our duty to society, the environment, and our stakeholders.

Core Business Areas
