BCPA (Brain Checker Psychometric Assessment)

The Brain Checker Psychometric Assessment (BCPA) is a comprehensive online evaluation designed for students aged 13 and above. It measures intelligence, personality traits, and skill sets through a 90-minute online test available in English, Hindi, and Marathi.

BEST (Brain Checker Engineering Sorter Test)

The Brain Checker Engineering Sorter Test (B.E.S.T) is an online, 60-minute assessment designed for students aged 13 to 18 who aspire to pursue a career in engineering. This test helps students gain clarity by matching their interests and aptitude in suitable engineering branches.

H-PACT

H-PACT is a scientifically designed online assessment used as a powerful hiring decision tool for evaluating experienced professionals with minimum 2 years of work experience, across junior, middle, senior, and top management levels.

DMIT (Dermatoglyphics Multiple Intelligence Test)

Dermatoglyphics Multiple Intelligence Test (DMIT) is a scientifically validated method that decodes a child's innate potential through fingerprint analysis. This assessment provides a comprehensive understanding of a child's multiple intelligences, personality, and behavioral traits.

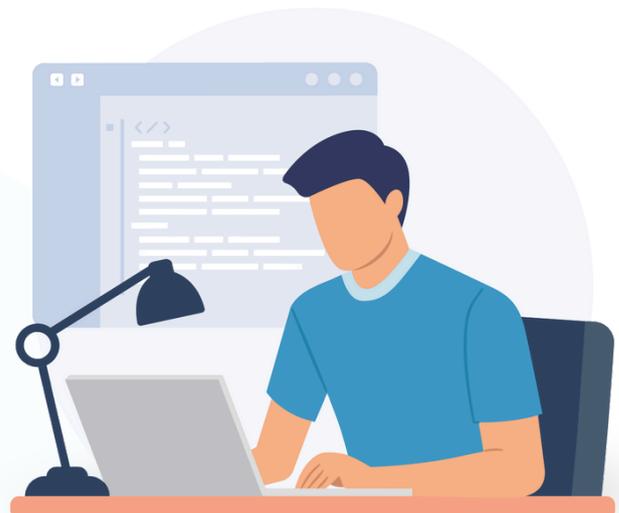

Polaris Career Assessment

The Polaris Career Assessment is designed for professionals with 2 to 10 years or more of work experience who are considering a career transition or contemplating entrepreneurship. This assessment provides in-depth insights into their personality, strengths, weaknesses, stress levels, and managerial style, helping them make well informed decisions about their professional journey.

Tycoon Entrepreneur Assessment

The Tycoon Entrepreneurial Assessment is a comprehensive, science-backed evaluation designed specifically for entrepreneurs, founders, and business owners who want deeper self-awareness to scale their business and personal success.

"Brain Checker provided me the most perfect career recommendations. I am extremely happy I chose them at the right time"

Arushi Jain
Fashion Designer, Delhi

"I am really thankful to Brain Checker for guiding my daughter accurately towards Mass Media & Communication. We knew she had exceptional caliber, but just couldn't arrive at a solution with professional help"

Dr. Milind Vaidya
Neurosurgeon, Apollo Hospital,
Navi Mumbai

"I have done the counseling for both my children from Brain Checker. I am quite satisfied with their counseling and recommend it to others"

Mr. Mahesh Patil
Deputy Collector, Nashik District

For over a decade, **Brain Checker** has excelled in the career counseling industry to help students use their strengths to the fullest for a better future. Today, that could be you or your children. Contact us now!
