# INTRODUCTION

Keya Raje is the Co-Founder of India's Largest Counseling & Assessment's Company, Brain Checker. The company operates through a network of 150+ Centers in 23 States in India, with offices in Nepal & UAE.

# THE SUCCESS STORY

## Brain Checker India

Founded in 2012 by Keya after her corporate experience with Kingfisher Airlines and Thomas Cook, Brain Checker® was created to build a trustworthy psychology brand focused on quality mental health and career guidance. Today, it is India's largest assessment and training company with 150+ franchises across 23 states, supported by 40+ PhD experts and 15+ subject matter specialists, and has guided over 5 lakh students through scientific career assessments. An ISO 9001:2015 certified organization, Brain Checker has won 7 national awards, been featured in 20+ national and regional newspapers, and works with leading institutions and professionals from IITs, IIMs, BITS Pilani, and XLRI.
