# Rail Freight Service

**Providing you with cost-effective and environmentally-conscious rail logistics solutions to move your goods efficiently and reliably**

We understand that you want to move your goods in the most reliable, efficient, secure and environmentally friendly way, without having to compromise. That is why we work closely with you to support all your needs; offering you rail freight transport solutions that are faster than ocean, more cost-efficient than air, environmentally friendly and designed to suit your needs.

Marguss Logistics is the ideal choice for cargo that needs to be transported from one end to another by rail. We are one of the most recognised and leading rail freight companies in India. You can completely rely on our rail cargo services as we will never disappoint you. We are highly professional and take care of your goods, from the beginning of the journey till the very end. Over the years, rail freight transport in India has become quite popular, mainly for two reasons, it is economical and fast. Therefore, when you come to us with your consignment, we plan thoughtfully and bring in the correct strategy for your goods to be delivered at the desired destination.

# Warehouse Management

**We keep it safe & in order**

**We keep the products well stacked**

**We make sure that upside sign is followed & the products are kept accordingly.**

**Fragile products are taken care of**

**Packing Repacking Labelling**

We provide high level professional warehousing services and care that is the assurance of the safe arrival of your product anywhere, anytime. Through our integrated inventory management system, we not only provide control on a worldwide basis but also allow customers to supplement and redistribute cargo. This approach reduces cycle time while assuring constant availability of product. We offer special warehousing facilities for containerized, refrigerated and hazardous materials.

# Valuable Clients
