RO Technology

# Who We Are

**AQUA KING RO TECHNOLOGY** is an ISO 9001:2015 certified home appliances company headquartered in Nashik, India. As a leading brand, we offer high-quality water purifiers, water heaters, solar panels, and other home and kitchen appliances.

We believe clean drinking water is a fundamental right. Our advanced water purifiers use UF, UV, RO, TDS control, and Alkaline technologies to remove impurities while retaining essential minerals. Committed to making safe water accessible, we aim to eliminate waterborne diseases and redefine water purifiers as a necessity, not a luxury.

## Core Products

We offer three premium series to meet diverse needs: Gold Series for superior home water purification, Diamond Series for advanced filtration with enhanced features, and Commercial Series for high-capacity purification in businesses and industries.

## Quality and Advantages

Our water purifiers combine advanced UF, UV, RO, TDS control, and Alkaline technology to deliver safe, clean, and mineral-rich drinking water. Designed for durability, efficiency, and superior performance, they ensure long-term reliability for both residential and commercial use, promoting healthier living with every drop.

# Introduction

# Vision & Mission

## Vision

To provide every household with access to **clean, safe, and healthy drinking water** through advanced purification technology, making water purifiers an essential necessity rather than a luxury.

## Mission

To deliver **high-quality, innovative** water purification solutions using **UF, UV, RO, TDS control, and Alkaline technologies**. We are committed to ensuring safe water access, reducing waterborne diseases, and enhancing the well-being of communities across India.
